John,

This was IAIR's meager comments on the Exposure Draft – Receivers' Expectations for Guaranty Fund/Association Dues and Expenses that apparently was not recognized. Yes, it was submitted to Jim but it was also copied to Jane. For other reasons, I couldn't send it myself and asked IAIR's management company to send the email.

Bart

Dear Jim:

I write in response to the RITF's request for comment on the Exposure Draft – Receivers' Expectations for Guaranty Fund/Association Dues and Expenses. While much of the document propounds many laudable values, as you know, IAIR includes members from all sectors of the receivership community, and, consequently, IAIR chooses not to express an organizational view. As always, however, we stand ready to provide any requested technical assistance.

Best,

Nancy
