

SPONSORSHIP PROGRAM

The International Association of Insurance Receivers was founded in 1991, and continues to be recognized today as the professional association providing those involved with insurance receiverships and financially stressed or troubled insurers with a forum to exchange information, develop best practices, establish and maintain accreditation standards, and educate its members and others concerning the administration and restructuring of such insurers.

The International Association of Insurance Receivers is proud to be able to offer three levels of participation to sponsors interested in expanding their participation in IAIR events and maximizing the potential of their exposure to insurance receiver professionals and others interested in this growing industry. Each level of participation includes the value-added benefits described below to enhance the opportunities of focused engagement with IAIR members and others attending events throughout the year, and those who visit the IAIR website.

OUR MISSION

- To assemble individuals interested in the affairs of insurers which are financially stressed or troubled or are in need of restructuring or in receiverships;
- To establish ethical and professional standards in the conduct of the affairs of such insurers;
- To provide its members with professional education and development relevant to such pursuits; and
- To recognize, through accreditation, the attainment by its members of expertise and proficiency in such pursuits.
